OF NEW YORK
HANOVER SQUARE

RALPH S. STILLMAN
PRESIDENT

April 12, 1957

Dear Bob,

I should like to record on behalf of the Foreign Committee of the Association of Reserve City Bankers and myself, my appreciation of your having taken the time to go to Palm Beach.

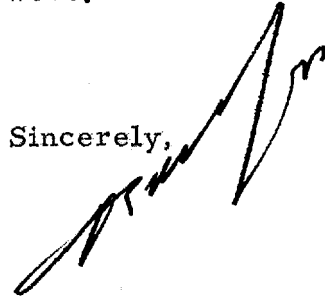

On Wednesday, many among the more prominent members of the Association congratulated me on having been able to get such a fine speaker to address the group, and may I say that you did a very outstanding job.

It was a great pleasure for me to have met and become acquainted with you and I hope that when you are in New York sometime, you will give me a ring and plan to save a date for lunch or dinner.

I hope you made the plane all right Tuesday evening and had a decent trip back to Washington. I wonder if you did not have some out-of-pocket expenses, which the Association would of course like to reimburse you for if you will let me know what they were.

With best regards,

Sincerely,

The Honorable Robert Amory, Jr.
